The Distelfink Crafters is a group  
of diverse crafts people and  
artisans. We meet once a month to  
enjoy the arts, visit with friends,  
and participate in craft/art projects.

We inspire each other with new  
ideas, techniques and art-related  
news on products, classes and  
exhibitions.

We invite you to attend a free  
meeting to see what we do!

Meetings are held at 6:30 PM on  
the  
2<sup>nd</sup> Wednesday of each month.

Meetings are held in the lower  
level of the  
Thomas Brendle Museum  
111 North Market Street  
Schaefferstown, PA 17088.

The museum is located at the  
intersection of Rt 897 and Rt 419,  
beside the Franklin House  
Restaurant.

 We meet once a month to enjoy the arts. Our meetings are a fun and informal place to learn new art skills, share ideas, and create friendships.

Each month during our meetings, we hold a craft program. In the past, our monthly programs have included redware pottery, soap making, theorem stenciling, homeowner friendly faux finishes, all about bees and beeswax candle making, copper work, needle felting, and more..

We promote inspiration, education and preservation of the arts through community and group projects.

Recently, we won national recognition for a mural that we painted in a local shelter.

Each year we sponsor classes in a variety of arts, such as vinegar graining, wool and penny rugs, theorem stenciling, fraktur, painted floorcloths, glass work, screen painting, and jewelry making.

We also take art-inspired field trips to such locations as Winterthur and Sturbridge.

### A Distelfink Country Christmas

Each year we sponsor a juried craft show. Our annual fundraiser is held the second weekend of November.
